

FSU Football Memorabilia Policy

Our office is closed each summer during the months of June, July, and August with a re-open date of September 1.

Due to the demand, there is a very strict limit of three items. **If it is for personal use it will be personalized to someone before it leaves this office (meaning to Dia or to Scott). This is a rule of Coach Fisher's. Also, if it is for a charitable donation, used as a door prize, raffle, etc., it MUST go through our compliance office first. We are glad to help our Seminole clubs help other charities in their respective areas but we are not sending out blanket, un-personalized items for them to use at their discretion. Each one of these events that the Seminole clubs want to help out MUST go through our compliance office first.** For your convenience, I have attached a copy of the Charitable Donation form that you can feel free to send to all of the Seminole Clubs along with this e-mail.

The last date we will receive anything before the Christmas break will be Thursday November 12, 2015, which is the Thursday before the Homecoming game and we will not begin receive anything after that until Thursday, February 4, 2016 which is the day after National Signing Day and the "end" of the recruiting period. At that point, we will receive items again until the last day of May.

WHEN MAILING TO MEMORABILIA:

Thank you for your request and I will be glad to help you. If you will mail in your item(s) in using one of the options below, I can help you with Coach Fisher's signature but unfortunately, I am not allowed to deal with any of our student athletes. Here is what to do. Send your item(s) in with a return label along with return postage and once I get your item(s) signed by Coach Fisher, I will get it headed back to you.

You MUST include a return label as well as return postage!
