The FSU Alumni Association shall evaluate potential affinity relationships by examining four key areas.

- i. The Product/Service:
 - a. Must be a unique service or a special benefit only available to alumni members.
 - b. If a discount, can it be positioned in a way to make membership more attractive?
 - c. Must be relevant to the members in either their personal or professional lives.
 - d. Any products involved must be licensed by the appropriate authorities.
 - Contact www.clc.com - Collegiate Licensing Company and Sherry Dye, director of trademark and licensing.
 - e. Complement, relate to, or support other programs, partnerships, sponsorships or services of FSUAA.
 - f. Be able to provide a documented track record of years of outstanding customer service.
 - g. Drive membership in FSUAA.
 - h. Must not compete with existing partnerships.

II. Role of the Partner

- a. Must be willing to report quarterly on the program's status in a mutually agreed upon format.
- b. Develop a detailed marketing plan that does not require substantial out-of-pocket expenditures by FSUAA.
- c. Provided expected participating rates and revenue projections for the term of the proposed agreement.
- d. Must have a detailed and/or unique marketing plan.
 - Must not rely exclusively on FSUAA to tell them how to market, but must be willing to listen to suggestions.
- e. Must offer outstanding customer service.
- f. Produce high quality personalized marketing materials.
- g. Furnish transparency language in all marketing materials, so that alumni know that the revenue generated helps support FSUAA programming.
- h. Produce sufficient background and verifiable financial information on company or organization.

III. Limitation to Marketing

- a. FSUAA staff will assist in marketing of sponsor, but not sales of individual products.
- b. Our president may sign an approved letter for a partner, but s/he and FSUAA staff will not be responsible for composing marketing pieces.
- c. Opportunities to purchase limited ad space in the biannual *VIRES*® magazine will be offered at a discounted rate to affinity partners.
- d. FSUAA will give use of logo and name for a mailing with final approval rights over all printed items. We cannot design or write the text, though we can make design or text suggestions on drafts or in the planning phase.
- e. FSUAA will have final say over all electronic communications.

IV. Contractual elements

- a. FSUAA will look for a commitment of 2–3 years in the initial agreement.
 - FSUAA staff and Board of Director members will review criteria annually.
 - Must provide a clause of early termination on the part of either party, with a minimum of 30 days' written notice.
- b. Upfront guarantees will be specified in agreement.
- c. Require confidentiality and/or privacy statements.
- d. Require that mailing/distribution lists not be used for any purpose other than specific marketing campaign authorized by FSUAA.
- e. Must provide measures for ensuring the security and integrity of the alumni database.
- f. Should include an addendum that outlines projected marketing elements and projects anticipated performance.

- g. Should provide sufficient financial and legal protection to FSUAA based on the level of risk associated with the program proposed.
