

On behalf of the Kentucky Seminole Club, I would like to offer you the opportunity to apply for the "Kentucky Seminole Club Scholarship". The mission of the club, which is located in Louisville, KY, is to provide a network for Florida State University alumni, friends, and supporters in the Kentucky area. During the year we perform numerous service projects, conduct fundraisers, and meet regularly in the fall to cheer for the Seminole football team.

The club will award one \$1000 scholarship for the Fall 2016 semester to a Kentucky or Southern Indiana resident attending Florida State. Past winners *are* eligible for this year's award. An application stating requirements and criteria for the scholarship is attached. The deadline is July 27, 2016. Email completed applications to lakep1999@yahoo.com with the subject heading, "KSC Scholarship Application".

If you have any questions, feel free to call me at (502)435-7855.

Sincerely,

Eric Berson
Scholarship Committee Chair
