

NON-PROFIT POLICIES

While legally, non-profits can partner with other non-profits and even make donations in some cases, make donations in some cases, that is not the role of a Seminole Club and Chapter. Seminole Clubs and Chapters exist to support FSU. Seminole Clubs and Chapters are encouraged to fundraise for your scholarships, for the Seminole Forever Fund, or for an FSU initiative that your club or chapter is interested in supporting (for example, the FSU Food Pantry or programs that support first-generation students). All efforts of Seminole Clubs and Chapters should ultimately benefit student success at FSU.
